

Amico Pharma

Founded by an award winning entrepreneur, Amico Pharma supplies and exports pharmaceutical products. Various institutions like hospitals, pharmacies, chemists, pharmaceutical wholesalers, health organizations, medical centers, etc. source our products at competitive prices. Amico Pharma is focusing on expanding into South/Central America, increase its presence in brand marketing in West Africa and also exploring the possibility of starting up operations in CIS and Eastern European markets.

### Diverse Product Offerings :

Manufactured as per international set standards (**WHO GMP**), our products viz; **impotence drugs, antibiotics, antimalarial, anti cancer, NSAIDS, CNS, cardiovascular, anti fungal, liquid injectables, etc.** are very effective and reliable. These products are available in dosage forms of capsules, tablets, liquid orals, injectables, and ointments.

### Professional Manpower :

The company possesses highly qualified and experienced professionals from the Pharmaceutical industry, who by following the most stringent standards of production assure the quality of products offered by Amico Pharma. Highly skilled and technical professionals from floor level to marketing executives form the backbone of Amico Pharma.

### Our vision :

Our vision is to become a global healthcare organization driven by people, research and technology.

### Our Mission :

Our Mission is to keep innovating and creating new niches in our existing markets to offer quality medicines at affordable prices and thereby improve human lives.
